

## 2026 North Carolina Digital Opportunity Survey

Thank you for your participation. Your feedback and experience are very important to us and will be used to help better meet the needs of all North Carolinians. This survey will take approximately ten minutes or less to complete and focuses on the accessibility and affordability of digital devices and the internet as well as your digital skills.

All responses will be automatically captured as you work through the survey. Your responses will be anonymous, and no data will be released or used to individually identify you. Your participation in this evaluation is voluntary. You may choose not to answer any or all questions, and you may stop at any time.

If you have questions about this survey, please contact:
