

Professional Engineer Certification Template

Certification

I, the undersigned professional engineer, have reviewed and hereby certify that the proposed network design, diagram, project costs, build-out timeline, and milestones for project implementation, submitted as part of this application's Project Plan, are complete and accurate to the best of my knowledge and that the proposed network can deliver broadband service that meets the requisite performance requirements to all locations served by the project within the proposed deployment timeline. I recognize I am not certifying the Capital Investment Schedule included with the project costs. I have based my technical evaluation of this project on my expertise and many years of experience working on projects of similar size and scope.
